

## EMERGENCY RESPONSE FUND

### WHAT

The Dublin Has Heart Fund at the Dublin Community Foundation was established on Thursday March 19th with a unanimous Board vote. Its purpose is to act a community support fund to deal with the current pandemic affecting us all.

### WHERE IT WILL GO

The fund will directly aid efforts of the **Dublin Community's 501 (c) 3 non-profit organizations to support its citizens with relief efforts towards the pandemic crisis brought on by COVID-19.**

### THE IMPACT

We recognize that the pandemic continues to significantly impact local families, businesses and individuals. As such, it will have health, economic, and lasting impacts on our community and **100% of all contributions will go directly to those in need.**

### WHY GIVE TO THE DUBLIN HAS HEART FUND

In collaboration with the City and non-profits who are on the frontlines, The Dublin Community Foundation has a pulse on the immediate needs as well as long term necessities which our community's non-profits and residents are dilligently assisting.

"At this time of immense economic pain, suffering and broken hearts due to COVID-19, The Dublin Community Foundation stands ready to serve. We are in this with you! Together, we will work our way through it and keep hope alive. We will emerge better and stronger when the pandemic is behind us! We are so blessed to have terrific local donors who have opened their hearts to help us create the "Dublin has Heart Fund".
